

The map displays the study area in the Massif Central, France. It shows the distribution of 100 red dots, which represent sampling locations. The dots are concentrated in a central area, with a circled '1' indicating a specific point of interest. The map includes labels for various locations, including La Réchasse, La Charbonnière, La Gainèche, Les Se, Le Plaignat, Les Champs-Glands, Pré Villat, Sur Moron, Les Prés-Dessous, and Les Grevelets. The background is a light green color, and the map is oriented with North at the top.
