

The map displays the Aargau region, including areas like Riedere, Hostalen, Birchi, Breilgarten, Kachachernhof, Felsenau, and Zehendermätt. A river flows through the center. Nine sampling sites are marked with numbered circles (1-9) and colored dots representing different sampling events. The dots are color-coded: 1 (red), 2 (blue), 3 (green), 4 (purple), 5 (orange), 6 (yellow), 7 (brown), 8 (pink), and 9 (grey). The dots are distributed across the region, with higher concentrations in the central and eastern parts. The map also shows various roads and geographical features like lakes and forests.
