

The map illustrates the AARGAU 2017 study area, covering a large portion of the Aargau canton in Switzerland. The study area is divided into seven numbered regions, each with a distinct color: 1 (red), 2 (blue), 3 (green), 4 (purple), 5 (orange), 6 (brown), and 7 (dark brown). These regions are distributed across the canton, with region 1 in the north, region 2 in the east, region 3 in the west, and regions 4, 5, 6, and 7 concentrated in the central and southern parts. The map includes labels for numerous municipalities and smaller settlements, such as Hinterberg, Leidenberg, Moosmatt, and others. It also shows major roads, rivers, and geographical features like forests and lakes. The AARGAU 2017 logo is located in the bottom right corner of the map.
