

Map of the study area in the Massif Central, France, showing sampling locations. The map displays a network of roads and rivers. Sampling locations are marked with red dots. A central cluster of dots is labeled with a circled '1'. Other labeled locations include La Réchasse, La Charbonnière, La Gainèche, Les Se, Le Plaignat, Les Champs-Glands, Pré Villat, Sur Moron, Les Prés-Dessous, and Les Rottes. The map also shows various geographical features like 'Pâturage du Soufflet' and 'Pâturage des Vernois'.
