

The map displays the Leimen area with seven distinct clusters of points, each labeled with a circled number. The clusters are color-coded: red (1), green (3), blue (2), purple (4), orange (5), yellow (6), and brown (7). The map includes various street names such as Stierwis, Erlhof, Mannacher, Leimen, and Storchensiedl, as well as geographical features like the river and green spaces. The points are distributed across the map, with cluster 1 being the largest and most dense, located in the upper right. Cluster 2 is a large blue cluster in the center. Cluster 3 is a green cluster to the right of cluster 2. Cluster 4 is a purple cluster below cluster 2. Cluster 5 is an orange cluster below cluster 4. Cluster 6 is a yellow cluster to the left of cluster 5. Cluster 7 is a brown cluster to the right of cluster 5.
