

The figure displays a detailed map of a residential area. Buildings are represented by grey polygons with black outlines, many of which are labeled with their respective house numbers. The streets shown include BINZACKERSTRASSE, BAHNHOFSTRASSE, and GOLDBÜHLSTRASSE. Blue dots are placed at various points across the map, often near buildings or along the streets, representing specific locations of interest. Green areas represent parks or undeveloped land. The map is credited to OpenStreetMap contributors.
