

The map displays the Hohenlohe region, with various roads and geographical features labeled. The 9 clusters of points are distributed across the region, with some clusters (1, 2, 3, 4, 5, 6, 7, 8) showing a high density of points, while cluster 9 is more dispersed. The points are color-coded according to the legend: 1 (red), 2 (blue), 3 (green), 4 (purple), 5 (orange), 6 (yellow), 7 (brown), 8 (pink), and 9 (grey). The map also shows the location of several towns and villages, including Hohenlohe, Heilbronn, and Stuttgart.
