

The map illustrates the sampling locations for the 2019/2020 season in Niederweningen. The locations are categorized into three groups, represented by red, blue, and green dots. Three specific points are highlighted with numbered circles: 1 (red dot near Sandgrueb), 2 (blue dot near Murzlenstrasse), and 3 (green dot near Chriesweg). The map shows a network of roads and green spaces, with labels for various streets and geographical features.
